### **Wabash Transformer Announces New Product Catalog Available On Website**

**October 12, 2017** – Wabash Transformer is pleased to announce our new product catalog is now available on our website. Additions to the Wabash Transformer catalog include Encapsulated Transformers (Power Transformers and Low Profile Power Transformers), Industrial Control Transformers (which includes the industry's first configurable Industrial/Machine Tool Control Transformer) and DC Power Supplies (Regulated, Unregulated and Stepping Motor Power Supplies).

Our catalog also includes Class 2 Transformers, International Power Transformers, Split Bobbin Power Transformers, Small Size Power Transformers, Low Profile Power Transformers and Compact Power Transformers.

Wabash Transformers products are designed to meet domestic and international safety standards. Our transformers are Class 2, VDE, UL and CSA Recognized.

To view or download Wabash Transformer's catalog visit <https://www.wabashtransformer.com/> or use this direct link <https://www.wabashtransformer.com/Wabash-Ener-G-Star.pdf>.

Please contact us via email at [sales@wabashtransformer.com](mailto:sales@wabashtransformer.com) or call us at (+1) 630-628-9999 with requests.
